Dear Clive

I refer to your application to the Ombudsman for a review of the Department's decision to refuse your request for air quality data and information gathered recently by Tasmanian EPA air staff in and around Morwell in Victoria.

Following consultation with the Ombudsman's Office, the Department has decided to disclose to you the information contained on the enclosed DVD. The balance of information relevant to your request is still under review by the Ombudsman who will advise you of the outcome in due course.

Yours sincerely
