Dear Ms Edwards,

RTI Review O1405-192 DPIPWE

Thank you for your letter dated the 19th September.

The Department has released to me relevant information on DVD, however, I am not certain this is all the information.

It was previously determined there was **2.16Gb** of data relevant to my application.

The first DVD I received has four folders containing 44.3Kb, 430Mb, 265Mb, 5.36Mb, or a total of **460.4Mb**.

The second DVD I received has ten folders containing 5.29Mb, 34.8Mb, 84.9Mb, 5.21Mb, 3.02Mb, 4.31Mb, 693Kb, 6.36Mb, 561Mb, and 285Mb, or a total of **990.58Mb**

Consecutive dated files, and emails appear to be missing.

The final tally released by the Department is less than 1.5Gb; not the stated 2.16Gb of relevant information.

Thank you.

Yours sincerely,

Clive M. Stott
