

Details of the Information Requested

Could you please release to me a comprehensive list of the parties involved in the development of the 'Draft Forest Industry Standard for Burning Practices', that was trialed in the (a) 2008 burning season, and (b) for the 2009 burning season.
Thankyou

Fees

I understand that a charge may be made for the reasonable costs incurred in searching for the record and supplying a copy of the information or for making arrangements to view a record or for providing a written transcript of information or for supervising inspection of any material. (Please refer notes below on Fees.)
