Dear Mr Stott

Thank you for your letter dated 7 October 2009 in relation to smoke generated from planned forestry burns.

As you indicated in your letter, the relevant State Minister is Michelle O'Byrne. You would no doubt appreciate that there is little that I am able to do directly to intervene on this issue. I have, however, taken the liberty of forwarding your letter to the Minister and asking her to consider the issues you have raised.

I will be in contact with you when I receive a response from the Minister's office.

In the meantime, if I can be of any further assistance please do not hesitate to contact my Electorate Office on the toll free number 1300 134 923.

Yours sincerely

SENATOR HELEN POLLEY
