Dear Minister,

Forestry industries smoke

I refer to your executive officer's letter dated 3/6/2008 acknowledging my letter of the 27th May 2008 (copy attached).

In your letter you say you will provide me with, "...a reply as soon as possible." but I have not heard anything in almost two (2) months.

I was seeking:

- i) A copy of the Standard you mentioned the forestry industries is trialing,
and
- ii) Advice as to who were the parties to this Standard, and when was it produced.

Perhaps you have forgotten our previous correspondence.
I look forward to hearing from you in the near future.

Yours faithfully,

Clive M. Stott
