Mr Clive Stott

Dear Mr Stott

Right to Information (RTI) Request – RTI10/9

In relation to your Right to Information request, attached is report covering forest industry burns planned for the period 1 January 2010 to 24 September 2010.

Please note that coupes on this report may or may not have been lit, part-burnt or completed on any of the dates shown. Weather conditions or operational issues result in burns being submitted on a number of days. Forest companies indicate their intent to light a fire, they are not required to report whether or not the burn was initiated nor completed therefore some coupes will have multiple entries.

You may apply to the principal officer for an internal review of this decision within 20 working days of receipt of this notice.

Yours sincerely
