

### 12.10.10 Smoke Watch

Tue Oct 12, 2010 9:48 pm

The smoke was still hanging around like yesterday.

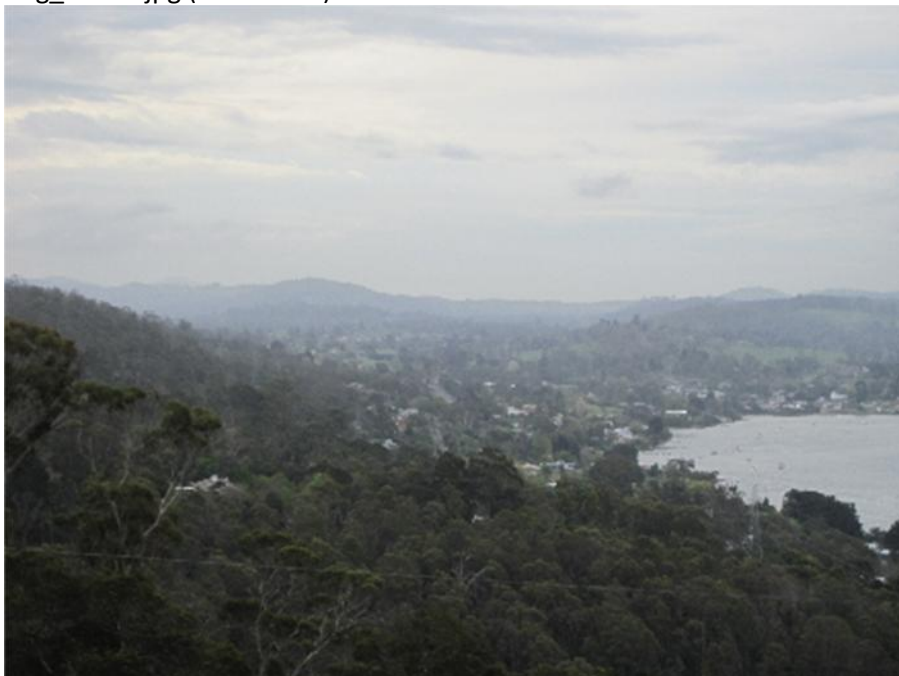

A respirator mask was worn to take these photos and smoke odour was in the house.

Smoke in the trees and extending to the mountains in the N/W.

Photo taken from Brady's Lookout at 15.42.

img\_0320a.jpg (139.33 KiB)

Smoke north of Exeter. It extended out to the east like in yesterday's photo

Photo taken from the same place at same time.
