10.39am. Mt. Barrow. *We have been breathing this smoke for ages now.*

P1000115b.jpg (164.51 KiB)

7.52pm A Tiny Gap In the Smoke: The Tamar valley and the hills to the east are not able to be seen.

P1000123b.jpg (171.85 KiB)

7.51 pm Taken from Grindelwald.

The whole Tamar valley is smoked out still and Mt. Barrow can barely be seen.
