

## Smokewatch 14.4.2010

Sat Apr 17, 2010 6:15 pm

Mr Tony Saddington advises: Mt Dismal was set alight at noon today in preparation for a FEA plantation (600 acres).

This is despite FEA today going into voluntary administration (ABC news radio).

A fire is also burning in the Bangor Tram Rd/ Murphy's Rd Mt Direction area which is nearby to Mt Dismal.

This may be a Gunns burn. It too was lit about noon.
