

Smoke Watch 4.4.2012

Mon Apr 09, 2012 1:56 am

On this day at 15.30 hours there was a smoky burn at 60 Atkinsons Road, Grindelwald.

This took place in a Fire Permit Declared Area; see map.

It would appear no permit was issued for the burn as no permit details were shown on the Tasmanian Fire Service website.

Permit area is the coloured part of the map.
