

Smoke Watch 9.4.2011

Fri Apr 15, 2011 12:34 am

The smoke never stopped.

These pics were taken from Brady's Lookout and from Grindelwald at about 2pm.

A respirator mask was used to get out and take these photos but the smell was already inside the house and car.

This smoke was seriously affecting health.

Looking N/W over Exeter

Looking South to Grindelwald

20110410_56a.jpg (38.92 KiB)

Looking West the smoke was terrible
20110410_58a.jpg (26.62 KiB)

Mount Barrow and all around was covered
20110410_61a.jpg (28.73 KiB)

All the way out to Mt Arthur in the East was covered.
20110410_59a.jpg (16.59 KiB)

Mt Barrow was not visible from Grindelwald or Trevallyn
20110410_62a.jpg (36.56 KiB)

Looking South from Grindelwald no discerning features could be made out. Remember this was at about 2pm.

20110410_63a.jpg (24.14 KiB)

Looking West, the hills and trees are painted out by smoke
