Dear Ms March,

Meeting to discuss the scope of my 2nd request for information.

Thank you for your 7/11/2014 email following the meeting between parties earlier that day.

I wish to advise the information outlined in your email has kindly been provided to me by Mr John Innis and goes a long way to meeting my request.

In light of this I see no reason to continue with my RTI application.

I am sending a copy of this letter to Mr Innis.

Thank you both for your assistance.

Yours sincerely,

Clive M. Stott
