Mr Clive M Scott

Dear Mr Scott

Thank you for your submissions of 29<sup>th</sup> August 2008 and 17<sup>th</sup> September 2008 on the draft smoke management guidelines. I will ensure that they are carefully considered as part of the FPA's process of reviewing the guidelines as they apply to operations that are subject to regulation under the Forest Practices Act.

A handwritten signature in black ink, appearing to read 'Graham Wilkinson', is written over a horizontal line.

Graham Wilkinson  
Chief Forest Practices Officer
