Dear Mr Stott

Thank you for your query. Unfortunately, there has been no further progress in clarifying issues around the regulation of open burning as referred to in previous correspondence to you from the Director. It is still the intention to seek that clarification but at this stage the EPA Division does not have a timeframe for when we might achieve that.

Yours sincerely,
EPA Enquires

Good afternoon EPA,

Would you be so kind to let me know what the score is?
I have not had a reply on this one.

Thank you.

Sincerely,

Clive M. Stott

Good afternoon EPA,

I am writing in relation to the attached letter from Mr. Mollison on behalf of the Director.

Can you please advise what progress has been made with this matter. Earlier correspondence indicates Mr Schaap was going to clarify the situation for me.

Thank you.

Sincerely,

Clive M. Stott
