Dear Sir/Madam,

Re: Criminal Proceedings, # 36526/08 of 8/12/08 in court room 2.

I am writing to ask if you could please provide me with a transcript of this proceeding.

I note there is filing fee of \$21.76 upon collection.

Can I just mention that I am hard of hearing and the headset provided to me was playing up and making a lot of 'white noise'. I really had difficulties hearing anything, hence my above application.

Perhaps this could be looked into please for people in the same situation as me.

Thank you.

Yours faithfully,

Clive M. Stott
